

Six Resorts. 50km Ski Runs.

Across the six resorts currently operating there are almost 50km of ski runs for you to explore, accessed by 20 chair lifts and two gondolas. Each resort has its own unique character, from exposed open peaks and bowls to ungroomed piste and tree runs.

15 min

Pilatus Tateshina Snow Resort

Japan's second-highest peak, served by the area's only ropeway.
